Initial Team Planning Meeting — Handout

Tuesday, November 14, 2000 — 1530 Hours

The IST is beginning their operations in their newly set up BoO. Representatives from the Sunnyvale Fire Department are enroute to meet with the IST Leaders. They will receive a briefing from the Sunnyvale Fire Department on what has been achieved on the ground and what is expected of the Federal ESF-9 resources.

The IST will develop strategic goals and objectives for assisting the Fire Department. The IST should take all appropriate actions as requested to integrate the Federal US&R resources into the local rescue effort.
